

Adviesbureau voor Energiestrategie (AES) – Reference List

	Energy policies and strategies	Sustainable programme and project development	International policy dialogue and know-how transfer	Expertise
2012	Legal Framework for the Development of Sustainable Energy in Antigua & Barbuda (IT Power, Caribbean Sustainable Energy Programme, EUEI, OAS)	Energy Efficiency Benchmarking of Federal Public Buildings in Mexico (GOPA – INTEGRATION, CONUEE, GIZ, Mexico)	Transposition of Eco-design Standards and energy labelling of household appliances in Ukraine (B.&S.U., EU Delegation Ukraine, BMWI Germany)	Training plan in energy efficiency for the Chilean industrial and mining sector: international expert advisor (PRIEN, University of Chile, Chilean National Energy Efficiency Agency)
2011		Cooperation projects in the field of energy efficiency standards and labeling with the National Commission for the Efficient Use of Energy – CONUEE, Mexico and Ministry of Energy / National Energy Efficiency Programme, Chile (CLASP, 2009 – 2011)	Review of energy efficiency, quality and environmental impact standards for household lamps and their possible application in the Mexican market (GOPA – INTEGRATION, CONUEE, GIZ, Mexico)	Final evaluation of Programme 'Coherent Energy Policy in Mexico, Central America and Colombia' (AGEG Consultants, GIZ) Evaluation of proposals for the SAVE Programme (EC – EACI, 2010 – 2011) International Seminar: ESCO – Market Instrument for Energy Efficiency (OPEN Project, IDB, Chamber of Commerce Bogotá, Colombia) International Symposium: Energy Efficiency for National Development (CEPAL, MEM Peru)
2010			International Workshop: Worldwide Energy Efficiency Action through Capacity Building & Training – WEACT (CLASP, IPEEC, SENER, CONUEE, Mexico) Coordination of virtual training course: 'Energy Efficiency Standards and Labelling' (CLASP, OLADE)	III Latin American and Caribbean Energy Efficiency Seminar EE 2010 (CLASP, OLADE, Panama City)

Adviesbureau voor Energiestrategie (AES) – Reference List

	Energy policies and strategies	Sustainable programme and project development	International policy dialogue and know-how transfer	Expertise
2009	Contribution to Energy Efficiency Action Plan 2010 – 2020 of the Republic of Chile (PRIEN University of Chile, National Energy Efficiency Programme, Chile)	Standards and Labels for Promoting Energy Efficiency in the Russian Federation (UNDP – GEF, 2008 – 2009)	Virtual Training Course: 'Energy efficiency standards and labelling: lessons learnt in Latin America' (CLASP, OLADE)	Study on energy efficiency campaigns (GTZ)
2008	Crecer con Energía – Linking Income-generating Activities and Micro-enterprises with Energy Services for the Poor in the Chaco Region in Bolivia and Paraguay: Policy reviews and recommendations for institutional development (EC – COOPENER Programme, international consortium, 2006 – 2008)	Andean CSL – Capacity Building for the Removal of Barriers to the Development and Implementation of Energy Efficiency Standards and Labeling in the Andean Region (CLASP, UNDP – GEF, 2007 – 2008)		RTD4EDC – Research, Technological Development & Demonstration to Increase the Share of Renewables in Emerging and Developing Countries with European Technologies – Policy Assessment, Stakeholders Opinions, Best-Practices & Recommendations: Review of renewable energy RTD&D programmes and projects in Latin America (ESENERG, EC – DG Research, international consortium, 2007 – 2008)
2007	Study on regulations, tariffs and economic incentives for efficient use of energy (Energy Efficiency Project Argentina – National Energy Secretariat, World Bank – GEF) Policy advice on energy efficiency standards and labeling programmes in Latin America (LBNL, 2006 – 2007)	Programme for energy efficiency standards & labeling (Energy Efficiency Project Argentina – National Energy Secretariat, World Bank – GEF, 2006 – 2007) SILAE – Rural Energy Services of Local Initiative in Ecuadorian Amazonia (EC – @LIS Programme, EuropeAid, international consortium, 2003 – 2007)		National workshop ' Proyecto de Normas y Etiquetado de Eficiencia Energética en la Argentina' (AES, CLASP, IEA, National Energy Secretariat, IRAM, Buenos Aires, Argentina)

Adviesbureau voor Energiestrategie (AES) – Reference List

	Energy policies and strategies	Sustainable programme and project development	International policy dialogue and know-how transfer	Expertise
2006	Energy efficiency in the residential sector in PEEREA countries (Energy Charter Secretariat)			<p>Regional Workshop on Energy Efficiency Standards (Regional Energy Efficiency Programme for Central America – PEER, CLASP, San José, Costa Rica)</p> <p>RECIPES – Renewable energy in developing countries: current situation, market potential and recommendations for a win-win-win for EU industry, the environment and local socio-economic development: Case studies in five Latin American countries (EC – DG Research, international consortium, in cooperation with ESENERG, 2005 – 2006)</p> <p>Evaluation of proposals for the COOPENER Programme (EC – EACI)</p>
2005				<p>Regional workshop 'Capacity building for removal of barriers to the cost-effective development and implementation of energy efficiency standards & labeling programme in Cono Sur countries' (UNDP – GEF, Viña del Mar, Chile)</p>

Adviesbureau voor Energiestrategie (AES) – Reference List

	Energy policies and strategies	Sustainable programme and project development	International policy dialogue and know-how transfer	Expertise
2004	<p>In-depth review of energy efficiency policies and programmes of Croatia (Energy Charter Secretariat)</p> <p>Energy efficiency legislation in Latin America (Energy-Strategies)</p>			<p>Energy RTD Information Systems – Users’ needs assessment Member of Advisory Board (EC – DG Research)</p> <p>1st International Seminar on Energy Efficiency in Development Cooperation Projects (Ingeniería sin Fronteras – University of Zaragoza, Spain)</p>
2003	<p>Identification of guidelines and options for the National Energy Conservation and Efficiency Programme (Energy Secretariat Argentina, GTZ)</p>	<p>Development of five sub-programmes of the National Energy Conservation and Efficiency Programme (Energy Secretariat Argentina, GTZ)</p>	<p>'Energy efficiency standards and labelling of household appliances in the Andean Community – national programmes and the prospects of regional harmonisation' (Paper for EEDAL'03 Conference)</p> <p>'Energy efficiency standards and labelling of household appliances in Algeria – from programme design to implementation' (Paper for EEDAL'03 Conference)</p>	<p>International Seminar on Energy Efficiency (World Bank, Uruguayan energy sector, Uruguay)</p> <p>First National Encounter on Rational and Efficient Use of Energy (UPME, ANDI, Colombia)</p> <p>Potential for Energy Efficiency in Latin America (Contribution to Encyclopedia of Energy)</p>
2002	<p>In-depth review of energy efficiency policies and programmes of Romania (Energy Charter Secretariat)</p> <p>Barriers and perspectives for sustainable energy in Latin America (Energy Strategies, CEPAL)</p>	<p>Energy efficiency standards and labelling for household appliances in Algeria (APRUE, EC – EuropeAid)</p>		<p>National Forum 'Promotion of Energy Efficiency' (WEC, MEM Venezuela)</p> <p>Country Analyses Energy efficiency and renewable energy policies and programmes in Latin America (Energy Strategies)</p>

Adviesbureau voor Energiestrategie (AES) – Reference List

	Energy policies and strategies	Sustainable programme and project development	International policy dialogue and know-how transfer	Expertise
2001	<p>In-depth review of energy efficiency policies and programmes of Bulgaria (Energy Charter Secretariat)</p> <p>In-depth review of energy efficiency policies and programmes of Hungary (Energy Charter Secretariat)</p>		<p>Associated OPET Mercosur Region (EC – ENERGIE, CEPAL)</p>	<p>ALURE Programme Advisory Committee (EC, 1996 – 2001)</p> <p>Second Latin American Regional Workshop on Energy Efficiency Standards and Labelling (IEA – CTI, CLASP)</p>
2000	<p>In-depth review of energy efficiency policies and programmes of Poland (Energy Charter Secretariat)</p> <p>Promotion of legal and institutional frameworks for energy efficiency in Latin America – Phase II (CEPAL, EC – SYNERGY)</p>		<p>Third Parliamentarian Dialogue on Energy and Sustainable Development EU – Latin America (CEPAL, EC – SYNERGY)</p>	<p>Latin American Regional Workshop on Energy Efficiency Standards and Labelling (CLASP, IEA – CTI)</p>
1999	<p>Institutional Cooperation EU – MERCOSUR on energy market integration (EC – SYNERGY)</p>		<p>Study tour on energy sector regulation in Europe for the Cabinet of the Vice-Minister of Mines and Energy of Paraguay (MOPC Paraguay, IDB)</p> <p>Rio Energy Forum (EC – ALURE)</p> <p>Second Parliamentarian Dialogue on the Promotion of Energy Efficiency EU – Latin America (CEPAL, EC – SYNERGY)</p>	<p>Energy Sector Reforms in Latin America and EU – Latin American Energy Cooperation (European Parliament)</p> <p>Evaluation of proposals for the OPET Network 2000 – 2002 (EC – ENERGIE)</p> <p>Energy Charter Meeting of Working Group on Energy Efficiency and Related Environmental Aspects (Energy Charter Secretariat)</p>

Adviesbureau voor Energiestrategie (AES) – Reference List

	Energy policies and strategies	Sustainable programme and project development	International policy dialogue and know-how transfer	Expertise
1998	<p>Promotion of legal and institutional frameworks for energy efficiency in Latin America - Phase I (CEPAL, EC – SYNERGY)</p> <p>Strategy for Energy Conservation Programme of the Ministry of Energy and Mines of Peru (MEM Peru, EC – SYNERGY)</p>		<p>First Parliamentarian Dialogue on the Promotion of Energy Efficiency EU – Latin America (CEPAL, EC – SYNERGY)</p>	<p>Follow-up of demonstration projects in the field of rational use of energy (EC – THERMIE, 1996 – 1998)</p> <p>Experts meeting on the implementation of the Energy Efficiency Protocol (Energy Charter Secretariat)</p> <p>Evaluation of proposals for THERMIE B actions in the field of energy efficiency in the industry, energy industry, built environment and transport sectors (EC – THERMIE)</p>
1997		<p>Market study on natural gas technologies in Chile (EC – THERMIE)</p>		<p>Sectoral assistance to the OPET network in RUE in industry (EC – INNOVATION)</p> <p>Terms of Reference for Energy Policy Information Unit in Bulgaria (EC – PHARE)</p> <p>Mid-term evaluation of the EC – ASEAN COGEN Programme (EC – DG I)</p>

Adviesbureau voor Energiestrategie (AES) – Reference List

	Energy policies and strategies	Sustainable programme and project development	International policy dialogue and know-how transfer	Expertise
1996		<p style="text-align: center;">Energy efficiency standards for household appliances in the Andean region (EC, JUNAC, PAIE Programme, 1995 – 1996)</p>	<p style="text-align: center;">Training of energy consultants in Thailand in advanced energy conservation technologies (EC – THERMIE)</p>	<p style="text-align: center;">Integrated energy services to industries in Romania (EC – PHARE)</p> <p style="text-align: center;">Evaluation of proposals for the OPET Network 1996 – 2000 (EC – INNOVATION)</p> <p style="text-align: center;">Priorities for future actions in the field of energy efficiency in industry (EC – THERMIE)</p> <p style="text-align: center;">Evaluation of proposals for innovative energy conservation projects in industry and energy industry (EC – THERMIE)</p>
1995		<p style="text-align: center;">Energy conservation and fuel substitution in the Romanian cement industry (EC – PHARE)</p> <p style="text-align: center;">Technical, economic and institutional potential of cogeneration in Chile (CNE Chile, 1994 – 1995)</p>		<p style="text-align: center;">Concertation meeting ALURE Programme (EC – DG I)</p> <p style="text-align: center;">Evaluation of proposals for innovative energy conservation projects in industry and energy industry (EC – THERMIE)</p>

Adviesbureau voor Energiestrategie (AES) – Reference List

	Energy policies and strategies	Sustainable programme and project development	International policy dialogue and know-how transfer	Expertise
1994			<p>Training needs assessment in the field of energy conservation in Thailand (National Energy Conservation Programme Thailand – NEPO)</p> <p>Contribution to training course on energy management in small scale industries in developing countries (University of Twente, the Netherlands, 1991 – 1994)</p>	<p>Energy conservation and alternative heating systems at Vossloh Metal Works, Germany</p> <p>Autogeneration of electricity at the Arauco pulp & paper plant of Celulosa Arauco y Constitución S.A., Chile</p> <p>Advice to Dutch economic mission to Chile with regard to possible cooperation projects in the field of energy efficiency, renewable energies and natural gas</p> <p>Evaluation of proposals for innovative energy conservation projects in industry and energy industry (EC – THERMIE)</p>
1993	Development of Ministerial Orders and various sub-programmes under the National Energy Conservation Programme of Thailand (NEPO)		<p>Training needs assessment in the field of energy efficiency in small & medium scale industries (GTZ, CNE Chile)</p> <p>Seminar on energy management in industry (GTZ, CNE Chile)</p> <p>Contributions to the First Working Cycle on Energy Efficiency and Renewable Energy in Chile</p>	<p>National Energy Efficiency Programme Chile (CNE Chile)</p> <p>Energy efficiency and cogeneration in a stone and chalk quarry in the Netherlands</p>

Adviesbureau voor Energiestrategie (AES) – Reference List

	Energy policies and strategies	Sustainable programme and project development	International policy dialogue and know-how transfer	Expertise
1992	Institution Building for Energy Conservation in Thailand (ADB, NEPO)		Seminar on energy management and advice to textile factories in Chile (GTZ, CNE Chile)	Dutch - Polish Energy Auditing Project: preparatory missions and selection of industrial firms and district heating plants
1991			Seminar on energy management and advice to pulp & paper factories in Argentina (GTZ, Secretaria de Energía)	Advice to International Institute for Energy Conservation (IIEC) on energy efficiency issues in Eastern Europe
